

THE BRIDGE TO RECOVERY

Workshop Intensives

*Cost Includes Lodging, Meals, Materials and Clinical Work during the Intensive

Bridge Tuneup

This workshop is intended to provide alumni further opportunities to build on the work they started here. (Note: This is not a substitute for any Phase. It is a supplement.)

April 25th-28th

\$1,500

2

The Forgiveness Journey

This workshop explores the who, what, when, where and how of forgiving, offering participants valuable tools that can be activated in order to move further along in the forgiveness journey.

June 6th-9th

\$1,500

0

Reclaiming Our Lives After Difficult Losses

This workshop helps us learn some important steps we can take to work through our losses and find hope and healing on the other side.

July 18th-21st

\$1,500

1

Thriving: The Art of Rising Up and Bouncing Back

Resilient people are not superhumans. Their skills can be learned. This workshop will show us how to rise up and bounce back.

Sept. 12th-15th

\$1,500

9

Family & Couples Intensives

This 2 to 3 day workshop working **one** family or couple is designed to repair unhealthy and challenging interpersonal dynamics that have contributed to making a family/couple functionally dysfunctional. These are scheduled on an individual basis and are limited based on availability, and cost is based on amount of participants. Call to schedule your 2019 dates today!

Dr. Scott Whittle
MA, D.Min., MS, MFTA, T-CADC

Interwoven in the tapestry of The Bridge, for Kim since 1990 and Scott since 2007, the Whittles have had the opportunity to impact countless lives. Moving forward to new opportunities, they will now be facilitating and hosting our Workshop Intensives.

Kimberly Cuza-Whittle
CERTIFIED TRAUMA PROFESSIONAL (CTP-5)
