THE BRIDGE
TO RECOVERY

EST. 1972

Financial
Giving Guide

Where we **UNCOVER**
our *past*, **RECOVER**
our *lives*, and
DISCOVER
happiness.

“The Bridge changed my life – I find **joy** in life again! But, most of all, I learned to **love myself**. Without having received a discount to attend, I never would have been able to afford it. Thank you to those who contribute.

“You helped save my life.”

-Denise J., Alumnus

In the past decade, The Bridge to Recovery has provided over one million dollars in discounts to program attendees.

Since 1972, The Bridge to Recovery has been helping those who have experienced trauma in their lives break free from the toxic bond of negative relationships, including relationships with substances, people, sex, food, vocation, and most importantly, their relationship with themselves. As a 501c3 not-for-profit organization, our program depends on individual and corporate financial gifts from folks like you to help sustain our ability to not only keep our cost tremendously below the national average, but also to provide financial assistance in the form of discounted rates to those who have a demonstrated need.

We hope that you will consider supporting our mission by giving to The Bridge, and helping to sustain the road to healing for many years to come. There are many ways of giving to The Bridge to accommodate all gifts of all sizes – which you will find on the following page. From the thousands of clients who have been impacted by our Life Saver Fund, we Thank You for your support.

50% of incoming clients exhibit a need for financial assistance.

The Bridge is dedicated to making every effort to allow a person who has the motivation to truly change their life an opportunity to attend the program. Many of our attendees push themselves to their financial limits, including maxing out credit cards, withdrawing 401Ks, asking friends, family, and even their Church for help, only to still come up short.

The Bridge “Life Saver Fund” is dedicated to helping these individuals attend the program through providing financial discounts. Our hope is that in the coming years, no one will ever not be able to attend our program because their finances prohibit it. But, we need your help to make that a reality.

The “Buy-a-Brick” Program

One of the many ways to donate includes our Buy-a-Brick Program. With a minimum \$250 donation, you can purchase a small brick to line our pathways, or a large brick for a \$500 minimum donation. To download the form for purchase, visit our website.
